Vinyl Toy USB Flash Drive for Collectors

Check USB flash drive for special features!

*Store in Style*

i-Disk Backpacker has a very delicate book-leaf box package for collection purpose and comes in 2GB-8GB.

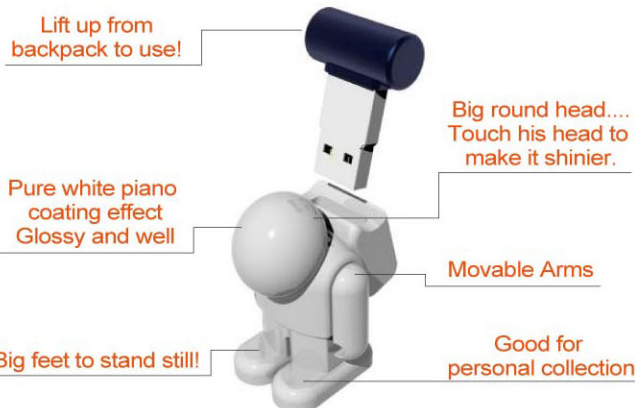

Created based on the concept of vinyl toys, **i-Disk Backpacker is aimed to make USB flash drive a collectable item while in use for everyday life.** With its pure white housing and streamline shape, i-Disk Backpacker not only represents the modern style of simplicity but also better interprets the story behind- a lonely planet walker in search of touching moments on earth. As long as he gathers enough experiences, there'll be magical change on his body...

Full of fun and adventures story, Backpacker' journey has begun...!
